Subject: Moonlight Display - Non Display

We have a new item to promote Moonlight products. It is a security display that holds 4 packs for viewing purposes only. it is small and can placed near the point of sale with either twin stick or suction cup. I know this is a terrible description, but I haven't seen it yet. Tony saw it, and said it was excellent, and that's good enough for me.

Your allocation is as follows: (each SKU contains 12 displays) (item # 529595)

Div:	SKU's
1221	32
1222	32
1223	30
1224	250
1225	27
1226	30
1229	48
	449

You can place your orders with Phyllis now. While this item is currently backordered, it will ship when ready.
